## JOB OPPORTUNITY

### RANCH HAND – FULLTIME SEASONAL

#### JOB SUMMARY:

This position provides seasonal employment from April or May to October.

#### DUTIES AND RESPONSIBILITIES:

Primary duties include but are not limited to:

- Caring for patrons' livestock while in the pasture by: administering medication to livestock for diseases such as scours, foot rot, pink eye, and pneumonia and setting out salt and mineral blocks to promote health and care of the animals.
- Handling livestock, including roping from horseback.
- Monitoring feed and water levels for livestock in the pasture and reporting back to the Pasture Manager daily.
- Moving and sorting livestock for vaccination, rotating to the other areas of the pasture or returning livestock to owner for removal from pasture.
- Performing repairs and maintenance on pasture corrals, fences, buildings and equipment.
- Operating farm equipment and tools (tractors, haying equipment, ATV, chainsaw).
- Maintain a daily log of duties performed.
- Maintaining accurate records of medication, salt and mineral blocks given to livestock.
- Submit weekly timesheets to Pasture Manager.
- Building/repairing fences.
- Other duties as requested.

#### REQUIREMENTS:

- The ability to provide, obtain and exchange clear and accurate information with patrons, staff, manager and the public.
- Provide own horse and tack if required.
- Ability to lift heavy objects.
- Criminal Record Check and prohibited drug test.
- Class 5 Drivers License and a reliable vehicle

**Application Deadline: August 14, 2020**
