Obtaining your Vaccination Card

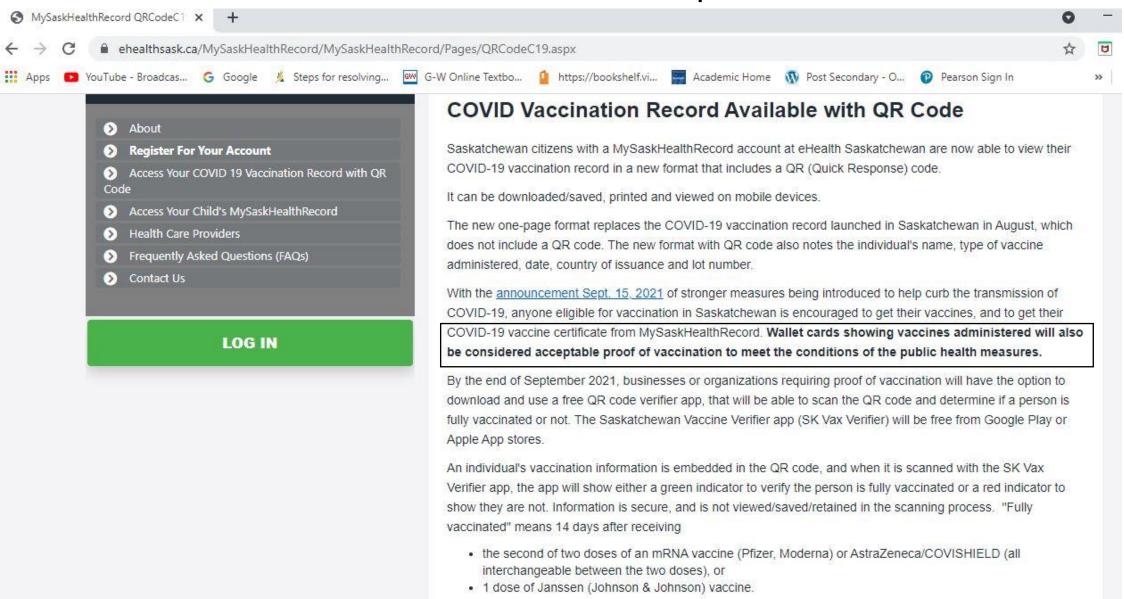

Ochapowace Health Services has gathered this information to assist its Saskatchewan members and their families obtain proof of vaccination by October 1st 2021. We hope this will alleviate some disruption while we diligently stop the spread of COVID19 in our homes and communities.

Please note that the vaccine clinic wallet card you were provided when you received your <u>full dosage</u> by the nurse is ACCEPTABLE PROOF by Saskatchewan covid measurement publication online.

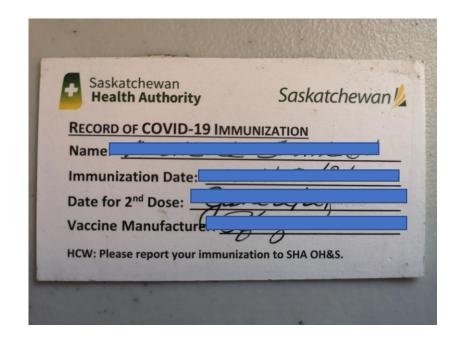

The following information is to help illustrate the steps to go online, enter your personal information, and verify your account by your personal email. Separate emails for individual eHealth Accounts.

Wallet Cards Accepted

Wallet Card

This card is an example of a wallet card issued to a person who received the full dosage of the covid 19 vaccination immunization. It is considered as proof of Full Vaccination. Call Michelle at Health Services if you want help getting your wallet vaccine card laminated.

What IDs you need: SGI Card

SGI Identification Card and Verification number:

Your SGI Card has the customer service 8-Digit number on the front of the card. The 10-Digit verification number is on the back of your SGI card.

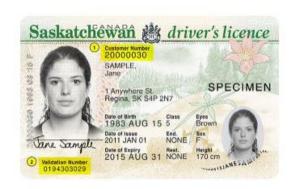

If you don't have your SGI card, call SGI Identification Cards: 1-844-855-2744.

They will provide your customer service number and validation number on the phone after you answer some personal verification questions. They will not make you pay for this information, its yours. See an insurance issuer for replacement.

If you have never had a SGI ID card, you will need to go get one. You need two pieces of ID. Example: health card, birth certificate, student ID card, Passport, SIN, Treaty card, phone bill with address. Something with your signatures, names and photo, all combined. Under 18 has a guarantor form the parent or guardian to sign to verify identification.

Finding your Customer Number

You can find the Customer Number on the front of your SGI-issued Driver's Licence or Identity Card (see 1 below).

Finding your Validation Number

For cards issued before April 2016

You can find the Validation Number on the front of SGI-issued Driver's Licence or Identity Card (see 2 above).

For cards issued after April 2016

You can find the Validation Number on the back of SGI-issued Driver's Licence or Identity Card (see below).

What IDs You Need Sask Health Card

Up-to-date Saskatchewan Health Card:

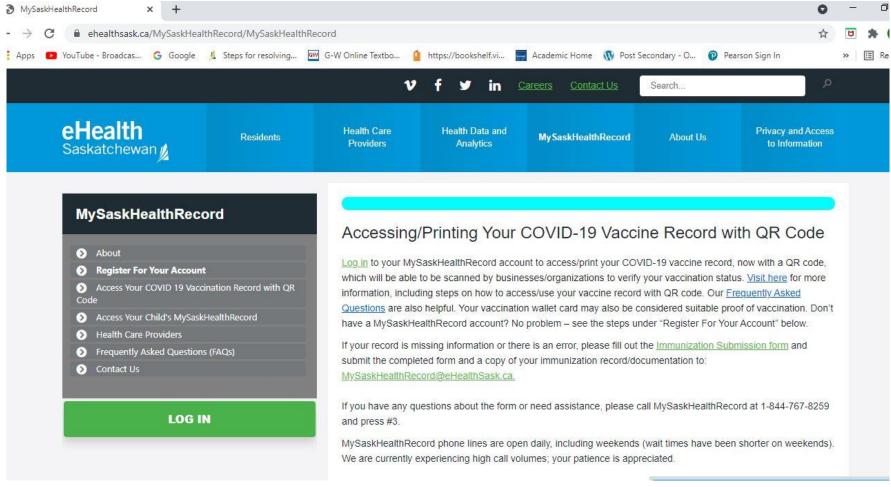

Your address must be the same for both SGI and Health Registry.

If it is expired, lost, or changed address you must call Sask Health Registry:

1-800-667-7551 to update your information with the Sask Health Registry.

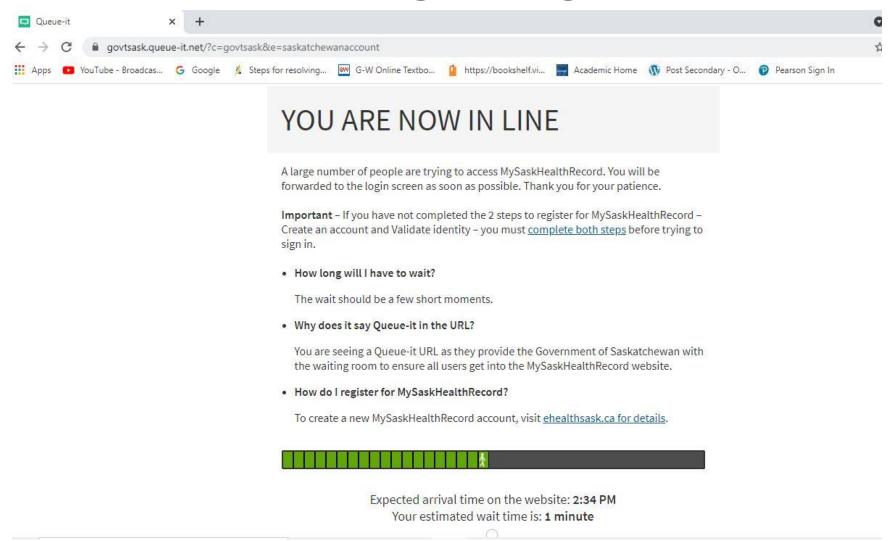

Webpage for accessing QR Code

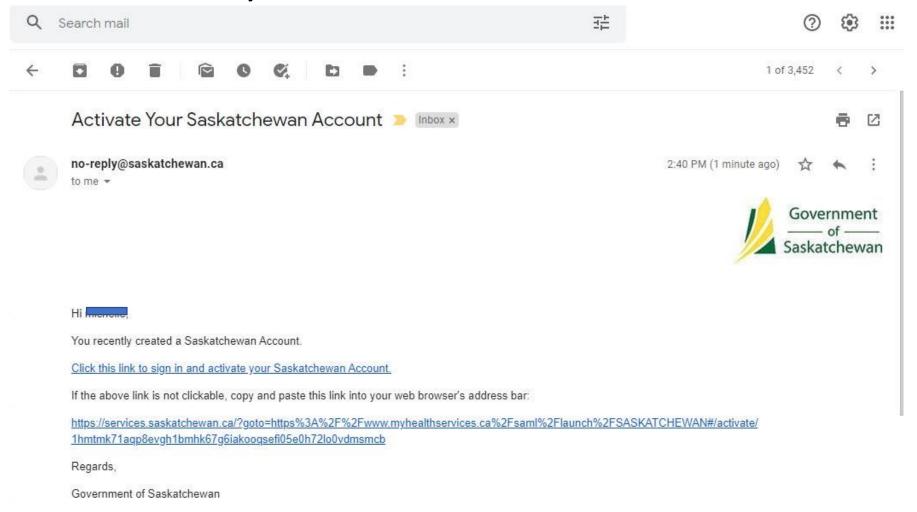

Currently, you do not need a 4-digit code to verify your Ehealth Account to access your records.
